

Warranty

Esico-Triton, International's electrical equipment for soldering is manufactured in the USA to the highest standards of industrial specifications and quality. We proudly stand behind all our products. Reasonable care and use for the intended purpose, soldering, will assure a productive long life for this equipment.

Esico -Triton International's Warranty is as follows:

- * Resistance Soldering Electrodes both Carbon and Steel as well as Soldering iron tips are considered consumable items and are therefore not covered under this warranty.
- * Tampering with any product for any reason will void the warranty.
- * Soldering Iron Elements, Solder Pot Elements and Solder Pot Thermostats are Warranted for ninety days from date of invoice.
- * All other Esico-Triton, International products are covered under warranty for defects in material and workmanship under normal use, soldering, for a period of three years from date of invoice.
- * Any item may be returned to Esico-Triton, International for evaluation at any time during the warranty period. Esico-Triton, International warrants all products against defects in material and workmanship based on normal use, soldering.
- * Any evidence during evaluation, of tampering, abuse or misuse, shall void this warranty.

THE FOREGOING WARRANTY IS EXCLUSIVE OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. NO WARRANTY IS EXPRESSED OR IMPLIED, OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE.

Buyer's sole remedy for breach of warranty shall be repair or replacement of the defective unit, or return of the purchase price; in no event shall Esico-Triton International be liable for consequential, incidental or special damages.
